## Purpose

This document explains The CBF Church of England Short Duration Bond Fund's (the fund) approach to sustainability. It is not marketing material.

This document is the consumer-facing disclosure document required under FCA rules.

## Sustainable investment label

This product does not have a UK sustainable investment label. Sustainable investment labels help investors find products that have a specific sustainability goal. The fund does not use a sustainable investment label because it does not have a sustainability goal.

## Sustainability approach (including faith-consistent investment policy)

The fund is managed in line with a faith-consistent investment policy, developed by CCLA, to meet shareholders' desire to investment in a way that reflects Christian and Anglican teachings and is grounded in the advice produced by the Church of England's Ethical Investment Advisory group. This includes the application of values-based investment restrictions as part of the fund's wider sustainability approach. The restrictions that apply to the fund are set out in the scheme information.

These restrictions are applied in accordance with our [Values-based Screening Policy](#) (which also sets out how we consider the eligibility of third-party managed funds) and are implemented based upon data-points selected by CCLA.

## Sustainability metrics
